

IBS Protective Gloves

Product Features / Advantages

The IBS protective gloves are solvent-resistant, hydrocarbon-resistant gloves made of nitrile rubber. They comply with the applicable EC standards and they are suitable for the protection against:

mechanical risks (EN 388)

micro organism (EN 374)

chemicals (EN 374)

The IBS Protective Gloves stand out due to a very good rubbing off and sting strength as well as an excellent resistance opposite hydrocarbon derivatives (IBS Special Cleaner).

The time (in minutes) taken by the use of IBS special cleaner to break through the glove (Permeation time) is > 480 min.

Versions:

Description: flocklined/hammer blow finish

length: 330 mm

color: green

strength: 0,38 mm

size: 9-11 (XXL)

The wearing of protective gloves is mandatory!

For this, there are several legal regulations in Germany:

Ordinance on Hazardous Substances:

The employer is required to take all necessary measures to protect the life and the health of the employees. The employer has to ensure that the employee's skin does not come into contact with hazardous liquids (e.g. IBS special cleaning agent).

BGR 180 (ZH 1/562) directives for devices used to clean parts with solvents:

These are regulations of the Accident Prevention and Insurance Association, especially for the parts cleaning. The Accident Prevention and Insurance Association provide statutory accident insurance for the employees. If the regulations of the Accident Prevention and Insurance Association are ignored, it may refuse payments or other services.

These directives also dictate that the employer has to provide the required protective measures (e.g. protective gloves) if the contact with solvents can not be ruled out. The employees are required to use them!

BGR 195 (ZH 1/706) rules for the use of protective gloves:

These accident prevention regulations of the Accident Prevention and Insurance Association include, for example,

Size	Art. No. package of 1	Art. No. 5 pairs per package
9	2222092	2222093
10/XL	2222012	2050073
11/XXL	2050082	2050081
