

Product Information
IBS Collecting Tray WK-50

Issue 06/2008

Art.-No.2120024

Field of Application

All stationary parts cleaning devices are available with compatible collecting trays. They are used for the environmentally and safe storage of water-hazardous substances according to the provisions of the Water Resources Act (WHG § 19g ff) and the Ordinance on Installations for Handling Water-Polluting Substances (VawS).

Safety

The IBS collecting trays are made of high-quality steel plate and they are tested for the TÜV type examination and approved for the storage of highly flammable (R12), highly inflammable (R11) and flammable liquids according to the German Health and Safety Regulations.
